***Labor & Delivery Directions:** Look for the Augusta University sign on 15th street that is marked **Entrance 3**, enter here and then park in the 15th street parking deck (Medical Center Parking Deck). Once you are parked you will enter the building through the **A entrance** (the entrance is off to the side). Go past the first set of elevators and take a left, follow the arrows on the map down the long hallway to the D elevators. Get on the D elevators and go up to the 7th floor. This will take you to the perinatal unit concierge desk where you will check in and be directed to Labor and delivery. *
