

EXPAND YOUR CARE TEAM

WOULD YOU LIKE TO IMPROVE YOUR OVERALL HEALTH?

And help educate MCG students?

Volunteer to participate in one-on-one virtual visits with MCG students. The students will collaborate with your primary care doctor resulting in an expanded care team, improved care and a healthier lifestyle for you!

To qualify:

- Have an established primary care provider at AU Health
- An internet or 3G connected device such as smart phone, computer or tablet
